

From Shelter to Sanctuary

Nehru Group of Institutions Transforms Lives with Compassionate Home Initiative. In a heartwarming gesture, the Nehru Group of Institutions handed over the keys to a newly constructed home to Vijayanandan's family, marking a significant milestone in their commitment to social welfare. The family, who previously lived in a dilapidated hut, now steps into a safe and secure house built by the institution. "The story of Vijayanandan's struggles came to light through 24 News, showcasing their battle against harsh weather and the challenges faced by his son, who found it nearly impossible to study during rainy nights. Touched by their plight, the Nehru Group pledged to construct a home within 90 days — a promise they have successfully

fulfilled. The family now enjoys a secure environment that provides a fresh start filled with comfort and hope. "This house is not just a shelter; it's a foundation for a brighter future," remarked

a spokesperson from the institution. This initiative serves as a beacon of hope, proving that compassion and action can transform lives and create a ripple of positive change.

The Legacy Lives On...

"The soul can never be cut to pieces by any weapon, nor burned by fire, nor moistened by water, nor withered by the wind."

Our Founder Chairman

Late P. K. DAS
(1939-2009)

Nehru College of Engineering & Research Centre (Autonomous) - a beacon of innovation and excellence in engineering education. Our autonomous status, granted by UGC, empowers students to thrive in the ever-evolving world of technology. Nehru College of Engineering & Research Centre (Autonomous) is a pioneering institution that stands at the forefront of engineering and technological education. With its autonomous status conferred by the UGC, this institution is dedicated to nurturing innovative thinking, research, and academic excellence. We strive to empower students with the knowledge and skills needed to address the challenges of today and tomorrow, enabling them to become leaders in the field of engineering and technology.

A Moment of Unparalleled Pride!
We're thrilled to announce that Nehru College of Pharmacy, part of Nehru Group of Institutions, has achieved NAAC Accreditation with an impressive A Grade (3.23 CGPA)! This achievement recognizes our college's hard work and dedication to providing top-notch pharmacy education, innovative research opportunities, and shaping skilled professionals. We're grateful to our faculty, students, alumni, and stakeholders for their contributions to this success.

Well Done Sir... "The harder the battle, the sweeter the victory."

Adv. Dr. P. Krishnadas, Chairman & Managing Trustee, Nehru Group of Institutions have been appointed as Honorary Trade Commissioner of Mauritius to India (South India) by Mauritius Government and Indian Government on recommendation by MEA (Ministry of External Affairs) for five years with diplomatic immunity. Prestigious Appointment Letter was handed over by Honorable His excellency Prof. Dr. Kheswar Jankee, Mauritius Ambassador to Russia.

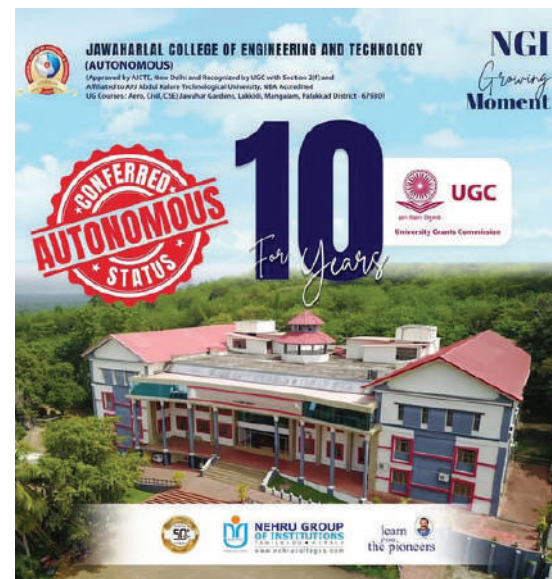

The Global Diaspora Awards 2025, hosted by IETO in Delhi, honored the remarkable achievements and contributions of global diaspora individuals across various sectors. "Adv. Dr. P. Krishnadas, Honorary Trade Commissioner of Mauritius-India and Chairman and Managing Trustee of Nehru Group of Institutions, was a prestigious award recipient.

Congratulations to our visionary Chairman, Adv. Dr. P. Krishnadas sir, for receiving the special appreciation and recognition for appointed as Honorary Trade Commissioner of Mauritius - India at the Multi-billionaire Business Achievement Award!

Nehru Science Innovation and Technology Expo 2025 was inaugurated by K. Krishnankutty, Minister for Electricity. Indian Navy Vice Admiral Praveen C Nair, Nehru Group Chairman Adv. Dr. P. Krishnadas, Nehru Group CEO Dr. P. Krishnakumar, JCET Lakkidi College Principal Dr. N Gunasekharan, Director of Nehru Academy of Law P. D Sebastian, Asst. Prof. Prajeesh Raj were present.

Amidst the grandeur of achievement, Jawaharlal College of Engineering and Technology steps into a new era of distinction. With the prestigious granting of Autonomous status, our institution stands tall as a beacon of excellence in the realm of technical education.

This moment marks not just a milestone, but a testament to our unwavering commitment to academic brilliance and innovation.

With autonomy, we embrace the freedom to shape our curriculum, foster research, and nurture the talents of our students, ensuring they are equipped to thrive in a rapidly evolving world. It's a proud moment for our entire community as we embark on this transformative journey, guided by the vision of Jawaharlal Nehru and the spirit of innovation that defines our institution.

Retitle ceremony of P.K. DAS COLLEGE OF NURSING

"From classroom to fields, learning takes root!" As part of the Crop Husbandry lab, agriculture engineering students from Jawaharlal College of Engineering and Technology gained hands-on experience in crop cultivation and farming practices.

"Our Induction, Your Foundation."

Embracing New Horizons, as we welcome the brightest minds of first-year students, the campus buzzes with excitement and promise, and that day marks the start of an enriching journey in which knowledge, passion, and aspirations collide. We are committed to fostering holistic development, igniting curiosity, and equipping each student to embrace a world of possibilities through an empowering academic ecosystem and a community of experienced mentors

The 23rd academic year Bridge Course at Nehru College of Engineering and Research Centre has officially begun, marking the start of an exciting journey for B. Tech and MBA students.

Nehru Academy of Law proudly hosted the inauguration and induction ceremony of our first LL.M. batch

P.K. Das College of Nursing proudly hosted the Induction Ceremony of the XIII Batch of BSc Nursing and II Batch of MSc Nursing students

P.K. Das College of Nursing proudly hosted the Lamp Lightning Ceremony of the XIV Batch Nursing Students

PK Das Institute of Medical Sciences (PKDIMS) proudly celebrated a significant milestone with the induction of our 10th MBBS batch.

P.K Das Liberal College of Arts and Science proudly hosted its induction ceremony for the 2024-2028 batch.

With great pride, Nehru College of Architecture celebrated a significant milestone with the induction of our *First Batch of the Diploma in Architecture* program on 30th October 2024.

The Nehru Academy of Law proudly hosted an induction program to welcome its new students, setting a strong foundation for their academic journey.

Nehru College of Pharmacy proudly hosted an inspiring induction ceremony for our B Pharm, Pharm D students

Jawaharlal College of Engineering & Technology, Lakkidi, Palakkad, kickstarted its Bridge Course for first-year B.Tech and MBA students

Nehru College of Architecture celebrated a significant milestone with the induction of B Arch Students

Samridhi 2024 an Employment Offer Letter Distribution to the placed students from 2024 Passing out Batch @ Jawaharlal College of Engineering and Technology

Bhavukam 2024 an Employment Offer Letter Distribution to the placed students from 2024 Passing out Batch conducted On 11th June 2024 @ Nehru College of Engineering and Research Centre.

BLOOM 2025

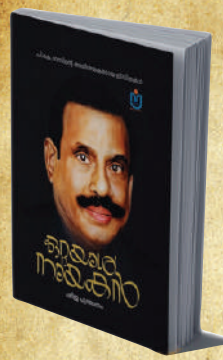

Bloom 2k25 - South India's Biggest cultural extravaganza, by Nehru Group of Institutions at Nehru Campus, Pampady was officially launched by prominent Indian actor, Director Sri. Dhyan Sreenivasan. Eminent Indian actor Sri. Aju Varghese, Ms. Namitha pramod, Ms Vincylalicious joined the Inauguration. The three-day cultural extravaganza began with a dazzling display of talent and creativity. The stage came to life with a fusion of dance, music, and theatrical performances that captivated the audience.

NSITE 2025 : Shaping the Future & unlock the infinite possibilities of human potential

Ottayal Nayakan

A truly special moment for us, as we finally fulfill a dream that has been in our hearts for so long!

It was our greatest dream to document the life story of Shri PK Das, the founder of nehru group of institutions & our beloved father. Words are not enough to express our gratitude to everyone who supported and stood by us in realizing this dream. We extend our heartfelt thanks to the Honorable Governor of Goa, Adv. Dr. P.S. Sreedharan Pillai, for releasing the book Ottayal Nayakan in malayalam and A lone warrior in English.

We are also deeply grateful to renowned scriptwriter and actor Shri Joy Mathew, who wrote the foreword, Malabar Devaswom Board President Shri M.R. Murali, Shornur MLA Shri Mammikutty, renowned poet Adv. P.T. Narendra Menon, who received the Malayalam edition, Dr. Latha Nair, who received the English edition, Shri Vinod

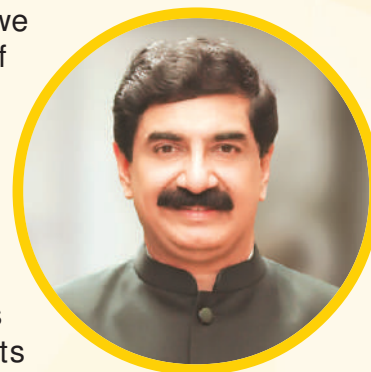

Honorable Governor of Goa Adv. Dr. P.S. Sreedharan Pillai releasing the book 'Ottayal Nayakan'

Karuvarakund is also present on stage. Smt. Sheeja Poonthanam, who turned his life story into a book. We extend our heartfelt thanks to everyone who attended the event, including other distinguished guests, relatives, friends, staff, and students of Nehru Group of Institutions. Above all, we express our deepest gratitude to all the people for receiving his life story with such a love.

Bridging the gap between academics and real-world applications

As we step into a new year, it is with immense pride and joy that we reflect on the vibrant journey of the Nehru Group of Institutions (NGI) over the past year. Our campuses have stood as beacons of excellence, setting benchmarks in quality education, innovation, and holistic development. NGI has consistently upheld its commitment to nurturing young minds and empowering them to become leaders, innovators, and change-makers in a rapidly evolving world.

The education sector has witnessed a paradigm shift, and NGI has embraced this transformation with open arms. In alignment with the visionary framework of NEP 2020, our campuses now resonate with the energy of start-ups, hands-on workshops, and meaningful industry collaborations. These initiatives are seamlessly integrated with our curriculum, fostering a dynamic learning environment that bridges the gap between academics and real-world applications.

At NGI, we believe that every student is unique and deserves the opportunity to explore their full potential. Our campuses celebrate a harmonious blend of academic rigor, skill development, and the nurturing of innate talents. From fostering entrepreneurial mindsets to providing platforms for artistic and athletic expression, we ensure that each individual's abilities are recognized and cultivated.

The year gone by has been a testament to the dedication and resilience of our students, faculty, and staff. Together, we have achieved remarkable milestones, organized impactful events, and continued to uphold the high standards that define NGI. As we launch the Nehru News 2025, I extend my heartfelt congratulations to the editorial team for capturing the spirit of our vibrant campuses and bringing to life the stories that inspire and unite us.

Let this newsletter serve as a reflection of our collective achievements and a beacon of inspiration for the year ahead. My best wishes to Nehru News 2025—may it continue to be a source of pride and a testament to the unwavering spirit of NGI. Together, let us strive for greater heights and ensure that the legacy of NGI continues to shine brightly.
